Protection Plans with Exceptional Benefits

North American Protection

CornerStone covers your Motorhome or Travel Trailer anywhere you go in Canada and the United States.

Coverage That is Simple and Easy to Use

Full coverage with no hidden charges; all covered parts and labour included. Repair costs are paid directly to CornerStone Authorized Service Dealers on approved repairs, saving you out-of-pocket expenses and the inconvenience of waiting for reimbursement.

Low or No Deductible Options

All Plans come with a low standard deductible of \$100 per occurrence. A \$0 deductible option is available for New Motorhome and Travel Trailer Plans.

Extended Eligibility

RVs with at least 30 days remaining in the manufacturer’s warranty are still eligible for New RV coverage, even if the unit has been previously enjoyed.

Transferable Coverage

If you sell your RV, you can transfer your CornerStone coverage to the new owner for the remainder of the term of the Plan, increasing the resale value of your unit.

Low Monthly Payments

Take advantage of the low monthly payment option by including the cost of your CornerStone Plan with the dealer financing of your purchase.
